Fundraising Newsletter 2022

As a community school we have had a difficult two years. Families have lost loved ones and many their livelihood as well. Ours prayers and support will always be with you.

As we at EPS always say "A community school is only as GREAT as its Community!" and we thank each and every one of you who have selflessly volunteered your time or assisted with sponsoring towards the school projects.

A special Thank you to Lunch Sponsorship programme and all its volunteers as well.

We had received the most applications for exemptions of school fees in the past two years ever at Erasmia Primary School and for this reason we need to do fundraising to maintain the level of education, equipment and resources being made available to the learners.

Please see attached the list of items needed for this Terms Fundraisers. If you can assist in any way, please email epsqb@outlook.com
